

WRILAB2

On-line Reading and Writing Laboratory for Czech, German, Italian and Slovenian as L2

- > Free interactive language learning materials, specifically designed for the teaching of L2 writing in Czech, German, Italian and Slovenian
- > Moodle based on-line laboratories devoted to the teaching of L2 writing in Czech, German, Italian and Slovenian
- > Virtual communities of students and teachers to exchange materials and good practices
- > Didactic writing workshops for teachers in the four L2s included in the project (Spring 2016)
- > On-line writing courses (level from B2-C1) for each L2 involved in the project (January-June 2016)

The European project Wrilab2, founded by the EU Lifelong Learning programme for the years 2014-2017, addresses the needs of students of Czech, German, Italian and Slovenian studying one of these languages as a foreign language in one of the partner countries, both at secondary school and university levels; non-native (adults included) students with

migrant backgrounds who need to improve their written language in one of the L2s included in the project; teachers in secondary schools and universities who teach Czech, German, Italian and Slovenian as foreign languages or second languages; employees in the tourism, journalism, commerce, public administration, diplomacy sector.
